Founders' Tribute

Rev. J.N. Stokes, Sr.
Created a resolution to fund planning of a college for ministers and children that was adopted by the Florida Baptist Association.

Rev. J.L. Fish
Served as the president of the newly formed Florida Baptist Institute in 1879.

Rev. Dr. Matthew Gilbert
Founded the Florida Baptist Academy at Jacksonville, Florida in 1892.

Mrs. Sarah A. Blocker
Served as an instructor at the Live Oak campus and the Chief Assistant to Rev. Dr. Matthew Gilbert in restablishing the Florida Baptist Academy at Jacksonville, Florida.

From the humble beginnings of the Florida Baptist Institute at Live Oak and the Florida Baptist Academy at Jacksonville came these Founders whose vision and insight led to where we stand now as crusaders for and promoters of Christian principals, academic excellence, and service to humanity.

Founded in 1879, Florida Memorial College is the result of the dedication of two forward thinking Baptist organizations – the Florida Baptist Academy and the Florida Baptist Institute – who founded the institution with the hope of educating African-American students in the latter part of the 19th Century.

Today, Florida Memorial College is South Florida's only Historically Black College, and continues to give students an opportunity to change their lives. In this, our 21st Century, Florida Memorial College has embarked on a journey marked by a multi-faceted program of academic excellence, historically-based spirituality, and a futuristic attitude toward preparing our students for the challenges they face in an ever-increasing technological world.

Dear Students:

I am delighted to present to you, the members of the Florida Memorial College student body, the 2003-2004 edition of *The Arch*. You are to be congratulated for the many outstanding accomplishments you made during this academic year--accomplishments that have been significantly captured and reflected in this wonderful publication.

I thank the members of our faculty, staff and administration for the splendid support given our students throughout the year. It is because of this support that our students are able to progress academically at an exceptional level, with many going on to perform at the highest levels of professional achievement after graduation. These are our FMC alumni of whom we are extremely proud.

Finally, I want to commend Ms. Sharhonda Ford for the outstanding leadership she has given the Office of Student Publications during this her first year of employment at Florida Memorial College. Her work on the campus has truly been a God-sent blessing for all.

Best wishes to each of you as you continue to develop your skills for future opportunities.

Sincerely,

A handwritten signature in black ink that reads "Albert E. Smith". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

June 5, 2003

Dear Students,

We at Florida Memorial College are truly honored to have you join us. Indeed each of you offers a unique and special component to our campus. I am so pleased that you chose to give us this opportunity to become a part of your life as you become a part of ours.

This year marks the beginning of a new journey and a new season of your life. Welcome to a land of new challenges and new joys. Congratulations on your big step to invest in your future. I salute you for your courage and your faith. May you never forget the purpose for which you have sacrificed. May you discover your destiny and pursue it with everything that is in you.

Lions and Lionesses, a door has been opened. Embrace all that it has to offer and use wisdom to keep your feet on the ground, use faith to keep your eyes on God and use love to keep your heart. Please do not hesitate to be all that you can be and allow your potential to explode. From my heart to yours, you can do it!

Sincerely,

A handwritten signature in black ink, appearing to read "Kanaema Byer".

Greetings. Classmates and Class of 2004

Birthdays, graduations, promotions, weddings, anniversaries and retirements are all momentous occasions in an individual's life...and usually we celebrate one or more of these days in our lives. But as May 1, 2004 slowly approaches (and I do mean, slowly) we are filled with heartfelt anticipation just thinking of our Graduation Day. We have finally made it ... and we then can boast of being alumni of South Florida's only Historically Black College and the birthplace of "Lift Every Voice and Sing," the renowned Negro National Anthem. This day will greet us with many mixed emotions jublations, sadness and even fear for it will mean we are leaving the security of an environment which has been home to us for the past four years; the comfort of friendships we have created; and a wealth of experiences which have helped shape our opinions of today's world; and created dreams and aspirations for our future.

So, classmates, I sincerely, hope that you have not wasted these past four years in folly and lack of commitment to putting forth your very best as a student. I know each of us when entering FMC's hallowed portals in 2000 had no real sense of what was to follow but each day presented us the unbelievable opportunity to grow and mature as we developed new associations; decided on our academic discipline; identified which college club/organization to join if we were to leave an indelible print marking time we spent in pursuit of excellence at FMC.

Our time is slowly approaching, so the question becomes, "What now lies in store for us?" Will we become productive members in our respective professions, our communities, our churches and most all, our families? Or will we satisfied with just getting by...will we accept a humdrum existence...or we challenge the status quo and make a difference not in our lives but the lives of everyone we touch? As much as I would like to peek into my crystal ball and answer that question, I can not answer that question even for myself.

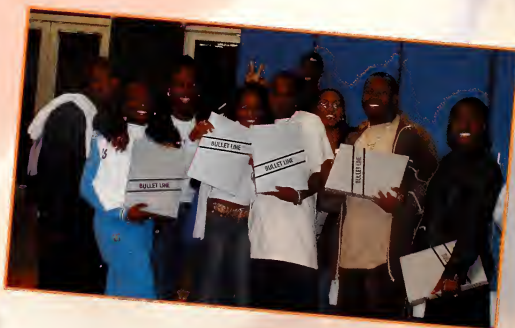

So, it is up to each of us to carve out our positive legacy for our posterity.

Finally, I implore you to remember the journey you have already traveled and remember that as young men and women we have overcome much in our lives; therefore, remember "Life is not measured by the number of breaths we take, but by the moments that take our breath away."

Sincerely,
Lawrence E. Marshall, President

STUDENT GOVERNMENT ASSOCIATION

June 5, 2003

Dear Students,

On behalf of Student Government Association, it is my honor and pleasure to welcome you to Florida Memorial College, the birthplace of *"Lift Ev'ry Voice and Sing"*. It is our sincere prayer that your matriculation here at FMC will birth forth leadership, character, and service. Our goal and mission is to assist you in growing academically, socially, and spiritually, so that you may realize your potential and attain your goals or dreams.

As your official voice, we are truly concerned with any problems that you may have. We realize the importance of you being here, and that you are a customer as well as a student. With your help, it is our belief that anything can be accomplished and obtained. For the 2003-2004 academic year, The Student Government Association theme is: *"On A Mission With A Vision Called Success"*. See the vision; move with us and be successful.

In closing, I would like to take this time to encourage you to **P.U.S.H.** Whenever you feel as if your back is against the wall, just **P.U.S.H.** If you feel like you can't make it, just **P.U.S.H.** If your friends turn into foes, just **P.U.S.H.:** *"Pray Until Something Happens"*!

Sincerely,

A handwritten signature in black ink, appearing to read "Arisha M. Knowles".

Arisha M. Knowles
President
Student Government Association
2003-2004

STUDENT GOVERNMENT ASSOCIATION

What is SGA?

The Florida Memorial College Student Government Association serves as the official representative and liaison between the students and the administration. The SGA throughout the year, which monitors all student government, sponsors a variety of campus activities.

Our Purpose

The Student Government Association is an organization that works for you, the student. Every enrolled student, as defined by the regulations of this College, is a member of the SGA and shall have a voice and vote therein. Our goal is to encourage continuous exchange of ideas between student, faculty, and administration. SGA works together in order to foster an atmosphere where your needs and concerns are addressed.

We will endeavor to maintain a function student government whose primary focus is to allow your voice, the student's voice, to be heard. Our purpose is to assist you in growing academically, socially, and spiritually, so that you may realize your potential and attain your goals or dreams. In conjunction with these purposes, we will:

- Promote active, responsible, and cooperative citizenship through participation in self-government.
- Promote social experiences through non-academic activities in harmony with individual interests, recognized needs and in support of the goals of SGA.
- Promote a close intellectual, social, and spiritual relationship within the college family.

NAACP

NATIONAL ASSOCIATION FOR THE ADVANCEMENT OF COLORED PEOPLE

The Florida Memorial College Chapter of the N.A.A.C.P. is poised to be the premier advocate for civil rights in our community, conducting voter registration drives, membership drives and monitoring equal opportunity in the public and private sectors. We are also primed to help increase the political awareness of all individuals associated with the N.A.A.C.P. as well as those who wish to be associated with the N.A.A.C.P. in the future. It is very important to us that we, the Florida Memorial College of the N.A.A.C.P., convey the importance of the Black vote not only to those individuals on campus, but to our surrounding community.

GAMMA SIGMA SIGMA

It was New York City in 1952 at Beekman Towers; eight college service organizations came together at a constitutional convention for the purpose of forming a national service sorority. Los Angeles City College, Drexel Institute of Technology, New York University, Queens College, Boston University, Brooklyn College, University of Houston and University of Miami formed the first eight chapters of Gamma Sigma Sigma, National Service Sorority. The name Gamma Sigma Sigma was chosen because Girls Service Sorority, abbreviated GSS, was commonly used by the individual school organizations.

The Epsilon Eta Chapter of Gamma Sigma Sigma was founded on the campus of Florida Memorial College in April of 1972. Seventeen active members sought out in the spirit of friendship, service, and equality. Fifty-one years later there are many campuses throughout United States still standing strong.

STUDENTS HELPING STUDENTS MENTORING PROGRAM

Students Helping Students Peer Mentoring Program is a federally funded program designed to assist freshman students adjust to college life by providing guidance and enrichment activities with a peer mentor. Mentors and protégés are required to spend two hours a week interacting. Also, they are expected to participate in scheduled team building activities and workshops designed to enhance their relationship.

To become a peer mentor applicants must have a minimum B- cumulative grade point average, be a sophomore (45 credit minimum), junior or senior. They must exemplify outstanding moral and leadership character, exhibit knowledge of campus and community resources, excellent oral and written communication skills, and provide two recommendations from faculty, staff, or a community leader for interview consideration. Applications are taken year round; however, mentoring services begin in the fall and continue into the spring term.

STEEL BAND ORCHESTRA

FRESHMAN CONVOCATION

by Sharhonda Ford, Student Publications Coordinator

On Thursday September 11, the new students at Florida Memorial College were officially welcomed to the Lion's family.

The Fall convocation is designed to be a formal occasion for the purpose of officially welcoming the freshman class and new students into FMC's Leadership, Character and Service. The intent of the ceremony is to challenge the new students and to charge them with new responsibilities to grow, develop, and expand their experiences through quality interactions with administration, faculty and staff throughout the college community.

"Much is required of you, much you will achieve, and you have the resources here to help you. Avoid the pitfall of ethics and wrong doing and find a proper compass," Dr. Albert E. Smith, FMC's President.

Inspirations and words of encouragement from the ceremony help freshman and new students to establish a renewed commitment to participate in the college community and strive to raise the bar of excellences.

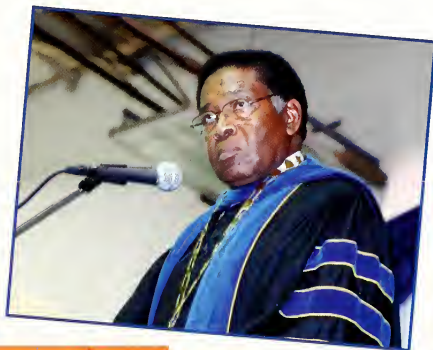

"Change great! You are change, you are great. Remember you are a wave of energy, blaze on. Courage is doing what you are afraid to do, we are lions," said Kahama Byer, Miss FMC.

Keynote speaker Ann McNeil gave an emotional alumnus testimony.

"I sat were you sat 30 years ago and I had a vision. College expectations were great; I had a vision for a better life I made a decision as a freshman to do my best. My goal was to be an 'A' student," Said McNeil.

Currently, McNeil is the president/CEO, of MCO Construction Company and a proud FMC alumnus. McNeil has dedicated her life to pursue excellences and continues to hold on to her vision. She gives God all the glory and stresses the importance of having a prayer life.

"Stay focused on your dreams, get a prayer life. I am only here by the grace of God," said McNeil.

NATIONAL PANHELLENIC COUNCIL

The National Pan-Hellenic Council, Incorporated is composed of nine historically Black National Greek Letter sororities and fraternities: Alpha Kappa Alpha Sorority, Alpha Phi Alpha Fraternity, Delta Sigma Theta Sorority, Zeta Phi Beta Sorority, Iota Phi Theta Fraternity, Kappa Alpha Psi Fraternity, Sigma Gamma Rho Sorority, Phi Beta Sigma Fraternity, and Omega Psi Phi Fraternity. Formed in 1930 at Howard University, the stated purpose of the organization was "unanimity of thought and action as far as possible in the conduct of Greek letter collegiate fraternities and sororities, and to consider problems of mutual interest to its member organizations." Each of these organizations evolved at a time when African Americans were denied essential rights and services afforded to others. These organizations were designed to foster a growth of brotherhood and sisterhood and to serve as conduits by which action plans could be formulated. Presently, there are approximately 1.5 million members of undergraduate and graduate chapters served by NPHC making it one of the largest Black international organizations in the world.

50 years of Service at Florida Memorial College
1954 – 2004

Alpha Phi Alpha Fraternity, Inc. has the distinction of being the first collegiate Black Greek letter organization have being created out of the desire of seven young men at Cornell University to promote the welfare of each other and to inspire each other in the pursuit of academic excellence and achievement. This was no small accomplishment in 1906 when the United States was in the midst of racial discrimination; however, these brave young men met at night to deliberate their future... the future of young Black men of generations to come.

Out of their meetings Alpha Phi alpha Fraternity emerged. The seven founding Brothers ideals were best conceived this eternal concept "Manly deeds, scholarship and love for all mankind." As the fraternity grew to become the most influential Black Greek letter organization on college campuses throughout the United States its presence even grew abroad. Today Alpha men are identified as leaders in education, religion, business, sports, and entertainment; furthermore, they can be found in nearly major city and countries.

Delta Psi Chapter has its birth on the campus of Florida Memorial College in 1954 when an Alpha among Alphas, Dr. Royal W. Puryear, then President of the College, decided it was time for Alpha Phi Alpha Fraternity, Inc. to illuminate the lives of the young Black men who possessed high scholarship and who exemplified the finer qualities of manhood and leadership abilities.

Dr. Puryear inspired the following seven young men: Milton B. Stewart, Willie Fisher, James Day, Joseph W. Selmore, Henry A. James, Joseph Dean and James Thomas to become the founding Brothers of Delta Psi Chapter. It is no coincidence that Delta Psi would become the leading fraternity on FMC campus since there seven original founding Brothers and Delta Psi had its birth through the energies of seven Brothers.

Delta Psi Chapter of Alpha Phi Alpha Fraternity, Inc. will always "Be First of All; Servants of All; and Shall Transcend All."

Zeta Tau Chapter

Delta Sigma Theta Sorority, Inc. was founded on January 13th, 1913 by 22 women at Howard University in Washington, D.C. Their purpose is to utilize the collective strength of college women to promote academic excellence, community service and cultural enrichment. The founders envisioned an organization that would permit them to use their collective strength to promote a high level of scholarship and provide assistance to those less fortunate. There are chapters in the United States, Germany, Haiti, Liberia, the Far East and West Africa. Programs include Community Life center and mentor/tutorial programs. Famous Delta women include: Dr. Mary McLeod Bethune - founder of the National Council of Negro Women, Shirley Chisholm - first Black woman elected to the House of Representatives, Carol Moseley-Braun - congresswoman, Lena Horne - entertainer, Johnetta B. Cole - president of Spelman College, Dr. Betty Shabazz - educator, Ruby Dee - poet & actress, Nikki Giovanni - poet.

ZETA PHI BETA

Zeta Phi Beta Sorority Inc.
Est. January 16, 1920
Iota Alpha Chapter

Zeta Phi Beta Sorority was founded on the simple belief that sorority elitism and socializing should not overshadow the real mission for progressive organizations - to address societal mores, ills, prejudices, poverty, and health concerns of the day. Founded January 16, 1920, Zeta began as an idea conceived by five coeds at Howard University in Washington D.C.: Arizona Cleaver, Myrtle Tyler, Viola Tyler, Fannie Pettie and Pearl Neal. These five women, also known as our Five Pearls, dared to depart from the traditional coalitions for black women and sought to establish a new organization predicated on the precepts of Scholarship, Service, Sisterly Love and Finer Womanhood. It was the ideal of the Founders that the Sorority would reach college women in all parts of the country who were sorority minded and desired to follow the founding principles of the organization. Since its inception, the Sorority has chronicled a number of firsts. Zeta Phi Beta was the first Greek-letter organization to charter a chapter in Africa (1948); to form adult and youth auxiliary groups; to centralize its operations in a national headquarters; and to be constitutionally bound to a fraternity, Phi Beta Sigma Fraternity, Incorporated.

Iota Phi Theta

Iota Phi Theta Fraternity, Inc.
Colony
Est. 1963

On September 19, 1963, at Morgan State College (now Morgan State University), 12 undergraduate men, Charles Briscoe, Charles Brown, Frank Coakley, Elias Dorsey, Jr.; Charles Gregory, Albert Hicks, Louis Hudnell, Webster Lewis, John Slade, Lonnie Spruill, Micheal Williams, & Baron Willis formed what is now the fifth largest predominately African American Fraternity in the United States: Iota Phi Theta Fraternity, Inc. Our founders were unique because they were non-traditional students and 3-5 years older than the average college student. Some were married, some were veterans, and some even held full time jobs while attending college to earn a degree. This led to the concept of a "fraternity" that was different than the others at the present time. A very mature group of young men had a vision...a vision of Iota Phi Theta. The Brothers of Iota Phi Theta Fraternity Inc.

THE BIRTH OF OMEGA

On Friday evening, November 17, 1911, three Howard University undergraduate students, with the assistance of their faculty adviser, gave birth to the Omega Psi Phi Fraternity. This event occurred in the office of biology Professor Ernest E. Just, the faculty adviser, in the Science Hall (now known as Thirkield Hall). The three liberal arts students were Edgar A. Love, Oscar J. Cooper and Frank Coleman.

From the initials of the Greek phrase meaning "friendship is essential to the soul," the name Omega Psi Phi was derived. The phrase was selected as the motto. Manhood, scholarship, perseverance and uplift were adopted as cardinal principles.

"Where the sun daungs lie and it's hard to pledge the Que Psi Phi."

"Friendship is essential to the soul."

The Bad Boys of Beta Pi Chapter
Est. January 9, 1914

Phi Beta Sigma Fraternity, Inc. was founded at Howard University in Washington, D.C. on January 9, 1914 by three young black male students. The founder,s Honorable. A. Langston Taylor, Honorable Leonard F. Morse and Honorable Charles I. Brown wanted to organize a Greek-letter fraternity that would truly exemplify the high ideals of brotherhood, scholarship and service. The founders deeply wished to create an organization that viewed itself as “a part of” the general community. They believed that each potential member should be judged on his own merits rather than his family background or affluence, without regard of race, nationality, color, skin tone or texture of hair. They wanted their fraternity to exist as a part of an even grater brotherhood-sisterhood which would be devoted to the “inclusive we” rather than the “exclusive we.”

SIGMA GAMMA RHO

Sigma Gamma Rho Sorority Inc
Est. November 12, 1922

Sigma Gamma Rho Sorority, Incorporated was founded on November 12, 1922 by seven young educators at Butler University in Indianapolis, Indiana. By creating a sorority during a time of racial, social, and economic unrest, these seven women laid the foundation for Sigma upon which they established love, sisterly understanding, and being in service to the community. Sigma Gamma Rho's aim is to enhance the quality of life within the community. Public service, leadership development, and education of youth are the hallmark of the organization's programs and activities. Sigma Gamma Rho addresses concerns that impact society educationally, civically, and economically.

FMC Student Achieves Miss Black Florida

by Jacquis Browne

“You cannot curse what God has already blessed and I am truly blessed.” That’s the motto of Miss Black Florida.

Dannitra Swain a native of Miami is a second semester Junior at Florida Memorial College majoring in Communications (Public Relations).

After entering a number of pageants Dannitra says her participation in Miss Black Florida was different because she wanted to be a part of a display that celebrated her as a black woman. “In this industry, you are bound to run into negative people, those who will try to belittle what you’re doing,” These type of people Dannitra continued are her motivation, “when they say I cannot get a task done, it makes me work even harder because God says I can.”

Dannitra Swain is a child of God, who loves to live life to its fullest and driven by a strong desire to be a success, the aspiring young lady says she also loves her family and friends. Miss Black Florida says if people just look at her from the outside they would not know the real Dannitra who is obsessed with wanting more out of life. But there’s another side to Dannitra, one who can be very fatuous, who likes to make people laugh.

The next step for Miss Black Florida is that she gives away her title in May and in 2005 Dannitra plans to compete in the Miss Florida pageant which is a preliminary to the Miss America competition. As a titleholder Dannitra says it enables her to speak more, network and travel.

Dannitra has entered other pageants over the years: Miss Teen Model, Miss Miami Carol City where she placed 1st runner-up and Miss Freshman and sophomore at FMC.

One word of advice that Dannitra has for young ladies who are interested in entering pageants is “Never give up! In this industry you have to develop a thick skin because you will not win every pageant you enter and while that can be heartbreaking, you have to learn to get back up and try again. Stay positive and if ever you feel intimidated by another contestant, remember that she’s probably even more intimidated by you.”

SGA Makes History Once Again

Arisha Knowles
SGA President

Samantha McPhee
SGA Vice President

by Jacquie Browne

It has been approximately 15 years since Florida Memorial College's Student Government Association (SGA) President and Vice President positions were filled by females. However, Arisha Knowles and Samantha McPhee are making their presence felt for the academic 2003-2004 school year.

President Arisha Knowles says it is the organization's goal and mission to impart a level of school spirit into the students, because without school spirit there is no pride for the learning institution and no academics or social life will be fully established. School spirit will allow each person to realize their potential and attain their goals or dreams. Once the goal is met, the organization's focus is to have students participate in every event that is held on campus.

From the beginning Knowles says she and her team were out to bridge the gap between the organization and the faculty and staff. For Freshman Orientation and Convocation their presence was felt, ready and willing to work with everyone.

In order to have any kind of pride Knowles says students need to have the heart of a lion instilled in them. "It takes us as students who will be future alumni's of the college to let people know that Florida Memorial College is alive and we are roaring, roaring, and we are going to continue to roar some more."

Vice President Samantha McPhee, Bahamian by birth majoring in Music Education is a senior and her responsibility is not only to improve but also enhance the life and involvement of all the students of the only historically black college in South Florida.

One of her focuses this year is to create unity among all the student organizations on campus. McPhee says all the organizations will be included in every activity SGA has on campus, to show unity.

The theme for the Student Government Association calendar year is "On a Mission With a Vision Called Success" and everyone should remember if you feel like you can't make it P.U.S.H., whenever your back is against a wall, just P.U.S.H., if your friends turn into foes, just P.U.S.H.: "Pray Until Something Happens!"

Students Helping Students Mentoring Program Spreads Holiday Cheer

by Sheila Boone and Argerine Williams

Thanks to the generosity of SGA, students, faculty and staff, the Toy Drive for a challenged family (recommended by SHS Peer Mentor, Yvonne Hampton-Barley) went exceedingly well. "Tweety" Rogers, SHS Peer Mentor, worked untiringly soliciting toys from the college family. With her quick smile and exuberant thank you, day by day the toys grew until it was time for Santa.

On December 8, 2003, the family of Mattie L. Addison the maternal great-grandmother of 29 great-grandchildren (nine of which are in her care) was ushered into Student Support Services with seven of her children. They were greeted by Santa's elves, Sheila Boone (Mentor Coordinator), Argerine Williams (SSS Director), Lois Johnson (Student Affairs/ Administrative Assistant), Sheryl Bain (Career Development Center/ Administrative Assistant) and Santa Claus was Steven Davis (Career Development Center/Assistant Director).

Santa was eagerly received by seven of the children. Santa inquired of the children whether they had been good and studying their books and helping out at home. There was a resounding yes! He then passed out gifts to the children and called them by name. Mrs. Addison, who lost her job to downsizing stated, "It could not have come at a better time." We wished the college family could have seen the smiles, the wide eyes of excitement and heard the laughter. Please know that your gifts were really appreciated. It was heart warming to know that students willingly emptied change from their pockets to help out. No gift was too large or too small. Because of you, we were able to give to this family and the overflow went to "Toys for Tots." We truly thank you for helping us spread holiday cheer.

FMC student selected as a Miami Heat Dancer

by Sharhonda Ford

FMC student, Lateshia McFarland was selected as a Miami Heat Dancer for the 2003-2004 Season out of 350 applicants.

McFarland is a twin and native of Miami; she is a member of the Second Baptist Church under the leadership of Pastor Jackson Sr. located in Richmond Heights. In addition, she is a sophomore with a double major in Biology and Nursing. Her long term goal is to become a pediatric nurse.

McFarland states her love for dancing began at the age of 11.

"I dance for fun and I love to compete," said McFarland.

McFarland wanted to try-out for the Miami Heat Dance team because she wanted to give back to her community.

"God blessed me with the talent to dance and I went on faith to compete," said McFarland.

Reflecting on the Miami Heat Dance team try-outs, McFarland was encouraged by her family who gave her love and support.

"You can do it," they said. "Give it your all."

McFarland's words of encouragement to fellow Lions who are pursuing their dreams are to "pray, remember their priorities, stay focused and don't give up."

Sedrick Blake Visits Africa to Study

by Carolina Fernandez

FMC student, Sedrick Blake, won a scholarship and has been selected to attend the University of Namibia (UN) in Africa.

"I am excited to experience something new. Being separated from my comfort zone will allow me to explore myself while gaining confidence and independence. I'll miss the people and things here but all I need are my headphones and a picture of my sweetie smiling and it will be just like I was here," said Blake. Moreover, Blake said he would miss having frituras, alcapurrias, paella or conch for 170 some odd days.

"This experience will promote diversity in students, and provide them with an educational opportunity. I also want to see my culture from a different perspective," said Blake.

In addition, Blake said he wants to increase his cultural knowledge and his ability to act in a culturally appropriate manner to become an effective physician in doing assessments and providing sensitive care. To interact with different people, to learn how to communicate verbally and nonverbally, and to embrace diversity in all things and to gain the knowledge of Namibia's customs, people, and language.
